### **SB 1210 - HB 2049**

March 19, 2007

**SUMMARY OF BILL:** Revises the requirements that must be met for an organization to sponsor voluntary health care services.

#### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**  
**Increase State Revenues – Not Significant**

Assumptions:

- There will not be a significant impact to the Department of Health to receive a sponsoring organization's report of voluntary health services every quarter instead of within 15 days of the services.
- The Health Related Boards with jurisdiction over the health care providers and facilities will not incur a significant increase in expenditures to investigate any complaints that may arise from the revisions in the bill.
- All health related boards, by statute, are self-supporting such that revenues equal expenditures.
